

**INALYN KIM P. TAMAYO**

Address: Blk 19 L1, NHA Buhangin, Davao City

Contact No. 09657816052

Email Address: inalynkimtamayo@gmail.com

OBJECTIVE: To contribute to a progressive and growth-oriented company where I can utilize my skills and knowledge as an Information Technology graduate, while continuously learning and gaining professional experience. I aim to support the organization's operations through my technical proficiency, adaptability, and strong work ethics.

EDUCATION

University of Southeastern Philippines – Obrero Campus

Bachelor of Science in Information Technology

Major: Information Security

Cum Laude

June 2021 - 2025

GPA: 1.56

WORKING EXPERIENCE

Department of Social Welfare and Development – FO XI

ICTMS Department

Student Internship

Davao City

June 2024–January 2025

- Served as Project Manager, Technical Writer, Developer and Quality Assurance (QA) Specialist during internship.
- Created user stories and finalized system planning through a Gantt chart for effective Agile development.
- Designed both low-fidelity and high-fidelity prototypes for responsive web and mobile interfaces.
- Implemented backend functionality for Conference Room and Vehicle Request modules with pagination, search, and filtering for admin users.
- Built and integrated Statistics dashboard with real-time data aggregation and visualization for administrators.
- Conducted manual and automated QA testing to ensure feature reliability and performance.
- Delivered complete QA documentation, system files, feature overviews, and final project documentation for deployment and evaluation.

PROJECTS

HookEdu: A Phishing Awareness Training and Educational Platform | Capstone Project

- * An interactive web platform that boosts phishing awareness through modules, activities, and videos, with progress tracking for users and performance monitoring for admins.

ICTMS Request Management System | Enterprise Booking System for DSWD Field Office XI

- * A web-based system to streamline the management of vehicle and conference room bookings with availability tracking and automated form handling.

LihokApp: A To-Do List Application | Personal Productivity Tool

- * A task manager that allows users to add, update, and track daily activities with a clean and responsive user interface.

TAPTRACKR: Attendance On Track With Just One Tap | NFC-Based Attendance Monitoring System

* A system using NFC-enabled student IDs to enable real-time attendance logging, ensuring secure and efficient classroom check-ins.
